- The Copay Assistance Program is available to patients only for “on-label” use.
- Patient is a resident of the United States or U.S. territories, based on patient’s address.

- Enrollment forms that are modified or do not contain the information required for the requested services will not be accepted by INSUPPORT for evaluation of Program eligibility.
- Patient’s signature and date on the Patient Authorization and Consent is required for INSUPPORT to enroll an eligible patient in the INSUPPORT™ Copay Assistance Program. The signed Patient Authorization and Consent is:
 - Valid for two years from the date of signature.
 - Required to be provided each calendar year during re-enrollment in order for the patient to continue in the Program, assuming all other eligibility criteria continues to be met.
 - Applicable to only one practice and affiliated provider(s). Should the patient change to a provider belonging to a different practice, the patient’s eligibility to receive benefits under the Copay Assistance Program will not be impacted, however the patient and the new provider must complete the required information on the Enrollment Form before the Program benefit for which the patient is eligible can be paid to such provider on the patient’s behalf.
- The eligibility period for the Copay Assistance Program is based on calendar year (January thru December).
 - If the patient’s initial enrollment into the INSUPPORT™ Copay Assistance Program is between October 1st and December 31st, the patient will not have to re-enroll in the program at the beginning of the subsequent calendar year. As a result, the patient’s first enrollment period may be up to 15 months, and any subsequent enrollment periods will be one calendar year.
 - Eligible patients may receive benefits for valid claims submitted with a date of service that is up to 90 days prior to the initial enrollment date, and up to 30 days prior to the re-enrollment date.

Program Benefit and Conditions:

- Eligible patients may pay as little as \$5 per injection of SUBLOCADE throughout the eligibility period.
- Following the patient’s initial enrollment in the Program, and each subsequent calendar year the patient remains on SUBLOCADE and continues to meet the Program eligibility criteria, the patient will receive the following medication copay assistance:
 - The patient will receive an expanded benefit amount for the first two injections in the calendar year. The expanded benefit amount is up to \$1,580 for SUBLOCADE.
 - Following the first two injections of SUBLOCADE in the same calendar year, the patient will receive a maximum copay assistance amount of \$800 per injection for the remainder of the calendar year.
 - If patient’s financial responsibility for the medication is greater than the maximum benefit per injection, the patient will be responsible for any remaining costs not covered by the copay assistance benefit dollars.
 - Expanded benefit resets at beginning of each calendar year.
- The Program benefit may be applied for maximum of 14 injections per calendar year and requires that there must be a minimum of 23 days between dates of service.
- If SUBLOCADE is covered under the patient’s medical benefit plan:
 - An Explanation of Benefits (EOB) from patient’s private health insurer must be submitted within 180 days of the date of the EOB for patient to receive copay assistance benefit. The EOB must reflect the patient’s out-of-pocket cost for SUBLOCADE and submission of the claim by the patient’s provider for the cost of SUBLOCADE.
- The benefit available under the Copay Assistance Program is valid for the patient’s out-of-pocket cost for SUBLOCADE only. It is not valid for any other out-of-pocket costs (for example, office visit charges or medication administration charges) even if such costs are associated with the administration of the SUBLOCADE. Claims for SUBLOCADE must be submitted by the provider to patient’s private health insurance separately from other services and products.
- Copay claims will be processed, and benefits applied, in the order in which they are received.
- Patient and provider agree not to seek reimbursement for any or all of the benefit received by the patient through the Copay Assistance Program.
- The Copay Assistance Program benefit cannot be combined with any other Copay Assistance Program, free trial, discount, prescription savings card, or other offer.
- Aggregated and non-identifiable information from patients participating in the INSUPPORT™ Copay Assistance Program may be collected, analyzed, summarized, and shared with Indivior Inc., and its affiliates for market research, statistical, and other purposes related to assessing the Copay Assistance Program.
